Hosting City – Lagoa, Portugal

Lagoa is nowadays one of the most important touristic cities in the Algarve. There are several factors contributing to this recognition: beauty of its beaches, magnificent hotels, golf courses, cultural and gastronomic heritage, social stability and friendliness of its people.

With a renewed sport and cultural vision, as recommended by the tourist activity, Lagoa embraces many ancient techniques, linked to pottery with the aim of maximizing the value and as a component of the tourism product. It is equipped with modern sports facilities that make Lagoa a prime location for training camps for amateur teams, semi-professionals and professionals. The coastal areas are the most beautiful beaches in the world supported by excellent hotel facilities. Cropping the coast is the most beautiful of the region. The work by Nature reveals unique beauties, drawing and sculpting the tracery of the caverns. Nature reveals unique beauties, drawing and sculpting the tracery of the caverns. The coast has an enviable set of conditions conducive to the practice of several sports. From water skiing, sailing, windsurfing or scuba diving.

Land and sea offer the best they have for making savory dishes. The always yummy grilled sardines, the fragrant cataplana, the enchanting local meat stylish Arabesque, singularities and rich flavors of a cuisine which join the delicious sweets made of almonds and figs and wine consecrated Lagoan.

The pottery, the construction of the gaudy miniature fishing boats and the typical Algarve carts, the exquisite piece work, are some examples of craft work of the county, little treasures that the craftsmen continue to produce, using traditional techniques and materials. Lagoa is a land of enchantment, which holds a priceless heritage, where the evidence is still “alive” transport us to a pleasant and rewarding journey through time.
