When is 7-m awarded?

14:1 A 7-m throw is awarded when

- a) A clear chance of scoring is illegally destroyed anywhere on the court by a player or a team official of the opposing team
- b) There is an unwarranted whistle signal at the time of a clear chance of scoring
- c) A clear chance of scoring is destroyed through the interference of someone not participating in the game, for instance (...).

Criteria for 7-meter

What is a clear chance of scoring?

Clar 6

- a player who already has ball and body control at the goal-area line of the opponents has the opportunity to shoot on goal, without any opponent being able to prevent the shot with legal methods
- a player who has ball and body control is running (or dribbling) alone towards the goalkeeper in a counter-attack, without any other opponent being able to come in front of him and stop the counter-attack
- a goalkeeper has left his goal area and an opponent with ball and body control has a clear and unimpeded opportunity to throw the ball into the empty goal

When 7-m + prog.punishment?

Rule 8.3

- Fouls, where the action is mainly or exclusively aimed at the body of the opponent, must lead to a personal punishment. This means that, in addition to a free-throw or 7-meter-throw, at least the foul is to be punished progressively, beginning with a warning (16:1), then with 2-minute suspensions (16:3b) and disqualification (16:6d).
- For more severe fouls, there are 3 further levels of punishment on the basis of the following decision-making criteria:
 - Fouls that are to be punished with an immediate 2-minute suspension (8:4);
 - Fouls that are to be punished with a disqualification (8:5); Fouls that are to be punished with a disqualification and where
 - a written report is required (8:6);

Use of goal area

6.2 c) 7-meter-throw when a court player of the defending team enters the goal area and because of this destroys a clear chance of scoring (14:1a).
For purposes of this rule, the concept “entering the goal area” does not mean just touching the goalarea line, but clearly stepping into the goal area.

7-m or not?
