

COMMON LINE FOR OUR SUCCESS

Sándor Andorka

1. Goalkeeper

- the goalkeeper's collision with the opponent and the danger of injury
- frontal collision / interference/ offensive foul
- disqualification or 2 minutes

- **hitting the goalkeeper's face/head with the ball when a 7-m throw is taken - disqualification**

- **hitting the goalkeeper's face/head with the ball when :**
- **shooting from the court**

2. Back court players

- the aim is to reduce the 'dangerous situations' into the minimum, exclude the possibilities for goal shooting

- taking actions usually in a frontal position – action directed to the head/body

- **delayed tackle on the throwing arm from the back or from the side**
- **defender playing aggressively when the ‘passive play’ hand signal comes up**
- **correct evaluation of the defender fouls**

3. Centre Backs/Playmakers

- high level of technical skills, good faking abilities, creativity
- step combinations and the danger of them
- provocation or real fouls ? !

4. Pivots

- **traditional or modern style of pivots**
- **activity with and without the ball**
- **spectacular and hidden fouls, the conditions of correctly executed offensive blocking**

- the physical attribute of the pivots (height and weight)
- action or reaction
- the usage of the goal-area
- the duties of the goal-referee
- 2 pivots system / task distribution

5. Winger

- every player has equal rights
- high level of technical skills when shooting at the goal
- usage of the goal - area by the attackers/defenders
- slight body-contact' when the winger runs-in

- **attempting or successfully pulling the upper leg of the opponent**
- **landing before goal shooting**
- **pushing into the body / waist - influence**

1. usage of the goal - area
by the defenders

2. landing before goal shooting

6. Defence - specialist

- a certain duty to execute against a particular player
- purposefully breaking down the attack organisation of the opponent by fouls
- number of repeated fouls in a short time
- fouls when the attacker is not in possession of the ball

7. Counter - attacks

- playing 1 one 1 – what is allowed by the rules
- focusing on the action - moving quickly
- „little” push from the side / back – consequence
- actions over reacted?
- overreacting to a foul - Hollywood action

8. The order of the substitution area

- the job of the coach is to deal with his/her team
- one person is allowed to kneel or stand continuously
- consultation briefly among the officials is O.K.

- **the theatrical complain against the referees – NO**
- **celebration is okay**
- **cooperation with the official's table – calling a TTO**
