2014 EHF Beach Handball Champions Cup

The game – techniques & tactics

Where are we now?

- In which moment of development of BH we are?
- More then 20 years of BH
- WG, WCh, ECh, EBT, ChC

Did we already used all resources of BH?

Do You....

- Copy or try to create
- Let your players teach you something

Did we already used all resources of BH?

Why are all of us so amazed with one usual basketball dribbling?

Did you ever try to play something similar on the Handball court?

“Why not” OR “Who didn’t let you do it”

How to improve?

Do we need to change the rules

**Or we can look for some other solution through existing rules
but different way of thinking....**

...and through “import” from other sports.

How to tease you for Brainstorming?

Defending goalkeeper in “Shoot out” situation:

- **“That is not Beach Handball”**
- **“We must forbid that GK leave GK’s area”**
- **“It is tricky situation for referees as well – must be forbidden”**

**.... But did all of them tried to find
solution?**

Beach Handball

How to tease you for Brainstorming?

BH is 4 against 3.... OK, it is 3 against 4 as well:

- How you manage those situations?

New BH balls for a girls:

- What will you do to improve performance of your team?

BRAINSTORM!

How to develop BH?

CHANGE THE RULES?

Vs

LOVE . DEDICATION . INSPIRATION .

CREATIVITY . IMPROVEMENT

**Where you can find
inspiration for new
ideas?**

**Beach

Inspiration...

Can we still import something new from Handball?

Which rules still “give us” some room for improvement?

Which sport and what specific in that sport could be source for development of BH?
