## Latest changes - Clarifications I.

- Direct red card results in immediate one-match suspension.
- A direct red card with report leads to a DC decision.
- Exclusion is no more part of the punishments.

## Clarifications II.

### Beach Handball

- Goal area violation by an offensive player: The game is restarted with a goalkeeper throw.

- Own goal: An own goal scored by any player is awarded as a one-point goal to the opposition team.
- Obstruction during 6m throw

# Beach Handball

## Clarifications III.

- **Shoot-out draw:** Drawing lots between the teams shall decide the ends and the team throwing first or last. The team winning the draw may choose whether it wishes to throw first or last OR the defending end. If the draw-winning team decide to choose ends, then the other team may chose whether it wishes to throw first or last.
