Handball**

Create your own strategy

PLAYERS

...OUR ARTISTS REALIZED THE PICTURE

Create your own strategy

STRATEGY

Own strategy

Match

Tournament

Create your own strategy

Take into consideration:

- Players skills
- Preparation time
- Aim

Create your own strategy

Take into consideration:

- Aim of tournament (peak timing)
- Number of matches (playing schedule)
- Number of match days
- Expected strategy of opponents
- Expected referee style
- Weather conditions

Create your own strategy

Take into consideration:

- Analysing opponent players' skills
- Analysing opponent team's strategies
- Choosing the most appropriate own strategy
- Weather conditions

Defence systems

What should we consider?

- Our basic defence system
- Our players' skills
- Opponent's offence strategy
- Stopping or interfering with the scoring of a 2-point goal
- Position of specialist

Beach Handball

Defence systems

Let's analyse the possibilities from the perspective of the position of the specialist:

- Center (3:1)
- Center (4:0)
- Wing (3:1)
- Wing (4:0)

Beach Handball

Defence systems

Let's analyse the possibilities from the perspective of the position of the specialist:

- Center (3:1) basic

Beach Handball

Defence systems

Let's analyse the possibilities from the perspective of the position of the specialist:

- Center (3:1) basic

Beach Handball

Defence systems

Let's analyse the possibilities from the perspective of the position of the specialist:

- Center (3:1) special

Beach Handball

Defence systems

Let's analyse the possibilities from the perspective of the position of the specialist:

- Center (3:1) special

Beach Handball

Defence systems

Let's analyse the possibilities from the perspective of the position of the specialist:

- Wing (3:1)

Beach Handball

Defence systems

Let's analyse the possibilities from the perspective of the position of the specialist:

- Center (4:0)

Beach Handball

Defence systems

Let's analyse the possibilities from the perspective of the position of the specialist:

- Wing (4:0)

Beach Handball

Defence systems

Let's analyse the possibilities from the perspective of the position of the specialist:

- Organized defence view of responsibility

Beach Handball

Offence systems

What should we consider?

- Our basic offence system
- Our players' skills
- Opponent's defence strategy
- To score of a 2-point goal
- Position of specialist

Beach Handball

Offence systems

Let's analyse the possibilities from the perspective of the position of the specialist:

- Center (3:1)
- Center (4:0)
- Wing (3:1)
- Wing (4:0)

Beach Handball

Substitution strategies

What should we consider?

The substitution strategy and a fast break are strongly coherent.

Beach Handball

Substitution strategies

Let's collect the possibilities from the perspective of the fast break:

- Individual fast break
- Extended fast break
- Complete fast break

Beach Handball

Substitution strategies

Do we have any possibilities to create substitution strategies that are not related to the fast break?

- Defence
- Offence

Beach Handball

Work in groups

Let's collect the criterias!

- Defence
- Offence
- Substitution

Beach Handball

Innovative 2 pointer

- Goalkeeper's direct goal
- Specialist's throw
- Inflight shot
- Spin shot
- 6m (punishment) throw

Beach Handball

Innovative 2 pointer

- Why do we need to be innovative?
- Do we have any new ideas?

Beach Handball

I wish you „FUNTASTIC” Beach handball
