Beach handball referee: 3 years

Beach Handball

Rules

Rule 9 – SCORING AND DECIDING THE FINAL OUTCOME OF THE GAME

- When a goal is scored, 1 point is awarded to the scoring team.
- 2 points are awarded when a goal is scored:
 - By a 6m-throw (penalty throw);
 - By the goalkeeper;
 - In a creative and/or spectacular way.

Beach Handball

Rules

- **Spectacular (goal)** -Of the nature of a spectacle; impressive or sensational; thrilling in effect; a lavishly produced performance (a spectacular goal is awarded 2 pts.).
-example: spin shot
- If such goals clearly aim at "ridiculing" the opposing players, it shall be considered as unsportsmanlike conduct and shall never lead to a "2-point goal" (Fair Play).

Beach Handball

In flight

- Two points are awarded only if the player who is in-flight controls the ball and shoots on goal while in the air
- In flight goal 1pts
 - Slap/Push
- In flight goal 2 pts
 - In air with one or two hands
 - Ball controll!
- **Catch in air - shoot in air!**

Beach Handball

Typical mistakes on in flight

- Assist is made wrong
- Didn't catch the ball
- Catch the ball while standing in sand
- Falling down before the shot
- Slap or Push

Beach Handball

Spin shot

- **Spin shot** - A shot taken with full turn of the body in the air.
- Important: Feet, body and hips are fully facing the opponent goal before jump
- 360°

Beach Handball

Spin shot

- Correct when the jumping feet of the player are pointing directly towards the goal at the point of take-off.

- Start – Full spin –Landing

right-handed

left-handed

left-handed

right-handed

Beach Handball

Typical mistakes on spin shot

- Wrong feet and body position
- Spin starts in sand
- Falling down before the shot
- 360° not complete
- travelling

Beach Handball
