## EHF DEL prematch routine....

1. Go to the CPO and sit in front of a PC
2. (because if you sit behind you see nothing....)
3. Open your portal, enter in your match
4. Fill the teams with the players (all the players in the pre-established list )

## EHF DEL prematch routine....

4. Enter from the printed list the name of officials involved (please take care that you may have the same team name either in man and woman gender but officials might be different)
5. Check that all data are input properly

## EHF DEL prematch routine....

6. Create the live ticker and ACTIVATE it
7. Print 4 copies of MR and live ticker ticket and give it to the Delegate 2
8. Print the referees evaluation sheet , one copy for you and one for referees

## EHF DEL prematch routine....

9. Delegate 1 goes to the court and meet the Team officials for signing MR and canceling officials/players that are not in the court , match starts
10. Delegate 2 goes to the scouting table and using his access codes togeteher with live ticker ticket opens the Extended MR, match starts
11. End match Delegate 2 MUST unregister

## EHF DEL aftermatch routine...

1. After teams have left the court Delegate 1 goes to CPO together with Delegate 2
2. Open the portal, enter in the match, click on pluriscout button and import data
3. Correct the discrepancies between the paper MR (official one) and the data imported (unofficial one)

## EHF DEL aftermatch routine....

4. Eventually referees together have to enter their own portal for describing the "red card" actions
5. Delegate 1 close the MR after filling last data ( number of spectators etc.) print a copy and deliver it to the office
6. Delegate 1 fills the referees evaluation sheet and meet referees for a common discussion about the performance
