

Goalkeeper behavior

Theme 6

Jonas Primdahl & Nichlas Nygaard

Denmark

Stare Jablonky, May 2018

What is allowed?

- In the act of defence it is allowed to touch the ball with any part of his body inside the goal area
- Moving with the ball inside goal area without same restrictions as court players
- Leave goal area without the ball and participate
- Leave goal area with the ball if he has not managed to control it before leaving

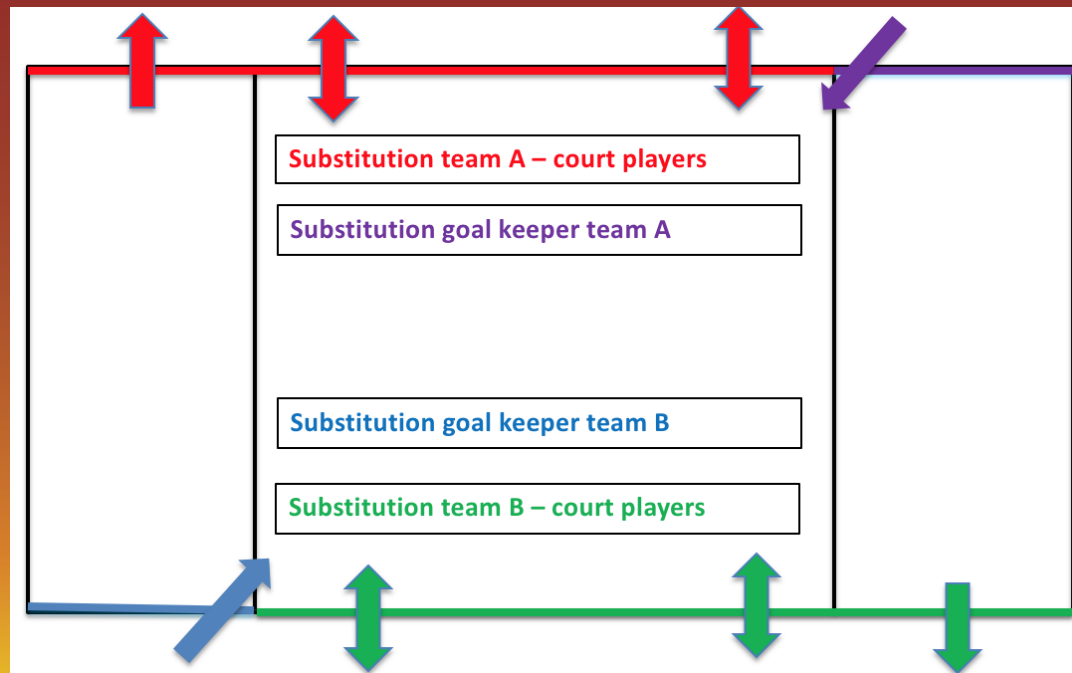

What is not allowed?

- Endanger the opponent while in the act of defence
- Leave the goal area with the ball under control - in case: correction of the goalkeeper throw with whistle
- Touch the ball after a goalkeeper throw before the ball touch another player
- Be inside the goal area and touch or take a stationary or rolling ball outside the goal area.
- Re-enter the goal area from the playing area with the ball
- Touch the ball with foot or below the knee when ball is moving towards playing area or stationary in goal area

Substitution - how?

- Enter: only from his own teams substitution side AND only through the sideline of his own goal area
- Leave: Over sidelines of his own teams substitution area or the goal area - but only on same side as his own teams substitution area

Substitution - video

Behaviour outside goal area

- It is allowed to leave the goal area and participate in the playing area. Then he becomes a subject to the rules applying to players in the playing area
- He has left the goal area as soon as any part of the body touches the sand outside the goal area line
- Need to take care for leaving during a shoot-out

Behaviour inside goal area - video

Illegal behavior outside goal area? -
what do you think?

Thank you for your attention!
Have fun 😊
