

# 2006 EHF Youth Handball Convention

17 – 19 November 2006 in Vienna, Austria

## Closing by Jean Brihault / EHF Vice-President

Distinguished guests,  
Dear handball friends,

On behalf of the EHF President Tor Lian – he had to leave yesterday due to business reasons – I have the honour to say the closing words.

After almost 3 days of brain storming, exchanging experience, sharing ideas and finding new programmes, I in my duty as EHF Vice President, kindly take the opportunity to thank you all for your hard work, cooperation and contributions. In particular I would like to thank the EHF Office staff members, the Commission Members and the participants.

Your participation during this convention clearly proves that you, and respectively your federations, are aware of the importance of the topic “Youth Handball”.

Events like this give us the opportunity not only to learn from each other but also to find common European ways to take the development of “Youth Handball” one step further.

Not only for the future of our kids, but also for the future of Handball!

Therefore I hope that this convention assisted you in learning from each other, that it did encourage you to share visions and ideas and to find suitable programmes for the future!

Although this convention comes to an end today, together we shall make it the beginning of a further successful cooperation in the area of “Youth Handball”.

Thank you!
