

REFEREES' AND DELEGATES' CONVENTION – TOPIC 2 PROACTIVE DISCUSSION ON TOPICS OF RELEVANCE “GROUP YELLOW”

17.04.2005

REFEREEING (INCL. COOPERATION DELEGATES ETC.)

Education (Part One)

Mentoring system UEFA (young referees) => 2 years / 2x mentor:

- 1) small group of experts
- 2) structural cooperation mentor/referees
- 3) uniform education system (course) => communication!

Education (Part Two)

No separate courses (men – women)

Delegate + Observer System (look at UEFA)

- Limitation per nation / except “big countries”
- How to find the best delegates:
Formulate the task priorities (see IIHF: proposal A/B/C)
- How to force the federations to nominate the best ones:
!!! First sport and then politics !!!

Rules – Changes

- Free throw in last seconds of the match
(Gr. “Yellow” likes to have a 100% clear answer to this rule interpretation
– too much confusion !!!)
- EHF <-> IHF interpretation:
System of CEV => teams participating in ECh bring their „own“ officials

EVENT MANAGEMENT – DELEGATING

Event Preparation for Referees

- IIHF: Meeting with officials + coaches (discussion about rules / line of the game)
- Preparation tournaments
- “Line” of a ECh: course referees/delegates => 1, 2 or 3 months prior to the tournament

Look at UEFA

Delegate + Observer System (look at UEFA) Referee Commission with specialists/experts (former top referees)
