

2011 EHF Youth Coaches' Course

30 June – 03 July 2011 in Brno / Czech Republic

Hosting City – Brno, Czech Republic

Brno lies in the central part of Europe, it is the second largest city in the Czech Republic with nearly 400,000 inhabitants. At the same time, it represents the centre of the province of Moravia, one of the historic lands of the Czech Crown.

Since the granting of royal privileges in 1243, Brno has been one of the most famous Moravian cities, often called the Metropolis of Moravia and known primarily for its cultural monuments. The centre of the city is dominated by the gothic cathedral of St. Peter and St. Paul.

Another of the main landmarks of Brno is the Spilberk Castle from the 13th century. Even from a distance, this hill can be seen overgrown with greenery and the mammoth fortress at its peak. Also worth mentioning is the Stará radnice (Old Town Hall), which is the oldest secular building in Brno. The historical core of this building was founded around 1240 and is surrounded by a series of legends. It served as the town hall from 1373 to 1935.

The historical centre of Brno also consists of Masarykova ulice (Masaryk Street) and the two main squares - Zelný trh (Cabbage Market) with the Parnas fountain and náměstí Svobody (Freedom Square) with a plague column. Perhaps the most beautiful panoramic view of the city of Brno is provided from Cernopolní ulice (Blackfield Street), where visitors can also find one of the most significant buildings of functionalist architecture, the Tugendhat villa. Brno is also an important centre for education in the Czech Republic, with a total of 26 faculties in universities and institutes of higher learning.
