European Handball Federation

You are an EHF Lecturer.

You like to be here.

You want to cooperate with us!

You want to be updated in EHF matters!

BECAUSE YOU....

- love handball
- are competent
- are an expert in the assigned area
- are pro-active, motivated and eager to learn
- are professional
- want to work for the development of handball
- want to be a messenger / facilitator of EHF
-

EHF BEACH HANDBALL – RULES OF THE GAME
SHORT VERSION

WHAT DO YOU NEED?

- a sand court
- a non-slip rubber ball
- two goalposts
- lines

WHO PLAYS?

- men's, women's or mixed teams
- 5 players + 1 goalkeeper
- up to 4 substitutes

HOW DO YOU PLAY THE BALL?

- using your hands
- even at rest or rolling (within 3 seconds)
- diving for the ball is permitted
- even in goalkeeper's area

... AND THE THROWS!

Throw-in is taken:

- with one foot on the sideline
- also instead of corner throw

Free throw is taken:

- 1m outside opponent's goal area line

6-metre (penalty) throw is taken:

- when clear scoring chance has been denied (penalty = 2 points)

... AND THE PUNISHMENTS!

- the violating player leaves the court
- player re-enters when ball possession has changed between teams
- second suspension = disqualification

... and if there is a draw?

- use GOLDEN GOAL METHOD
- first team to score wins the period!

EHF CAN Web Services on www.eurohandball.com and <http://activities.eurohandball.com>

The screenshot shows a Windows Internet Explorer browser window displaying the 'Handball Basics' page of the European Handball Federation website. The browser's address bar shows the URL <http://www.eurohandball.com/ehf/handballbasics>. The page features the EHF logo, a navigation menu, and a main content area titled 'Handball Basics'. The text describes the sport and mentions the 'Handball the game' eBook. A sidebar on the left contains a calendar for June 2011 and various navigation links. The Windows taskbar at the bottom shows the Start button and several open applications, including 'Posteingang - Micros...', 'Microsoft PowerPoint...', and 'FIDA'. The system tray shows the time as 15:22.

Handball Basics

HANDBALL BASICS

Handball is a team sport played by two male or female teams consisting of seven players (6 fielders and 1 goalie) each. The players are allowed to handle and throw the ball using their hands, but they must not touch the ball with their feet. The objective of the game is to score and avoid getting goals. The team that scores more goals in a given period of time wins the match. The game is played at a very high speed and body contact is permitted. As a result, Fair Play has a central importance. Basic handball is either played in a sports hall or outdoors on a 40x20 meter court. The other variations of the game such as Minihandball, Beach Handball or Streethandball are all based on the fundamental rules of the game, although both facilities and rules shall be adapted to their needs. The European Handball Federation (EHF) has published a great number of leaflets, booklets or other publications on the so-called "Handball Basics" over the past years. Here are some of them to be viewed as e-books in order to give you an idea what handball is and how it can be played!

To make it even more pleasant for you to read our publications, you are welcome to check them out in an easy-to-use eBook version.

You can read, search, print the pages of the eBooks or if you like them, you can send them to your friend by mail.

TECHNICAL MANUALS

Over the past decade, the notion and understanding of a sporting event has changed significantly and, in some aspects, beyond recognition. We are no longer talking about a simple sporting match of two teams, where one team is declared the winner, but a highly complex event, which is dependent on extremely intricate organisational and operational working processes, set-ups, managing and officiating requirements. The sport of handball in particular has experienced an ongoing evolution and it has become ever increasingly important to ensure and secure an appropriate infrastructure to organize and manage matches or events on top level. Strict guidelines and standards are set by the EHF in order to guarantee that a top level product is delivered to the satisfaction of the sporting world.

To make it even more pleasant for you to read our publications, you are welcome to check them out in an easy-to-use eBook version.

You can read, search, print the pages of the eBooks or if you like them, you can send them to your friend by mail.

Quotes from the 2011 FIBA Europe Clinic

The screenshot shows a Windows Internet Explorer browser window displaying the website for the 2011 FIBA Europe Clinic. The browser's address bar shows the URL: http://events.cead.ulpgc.es/facpr/index.php?option=com_wrapper&view=wrapper&Itemid=68. The website header features the FIBA Europe logo, the text "2011 FIBA EUROPE CLINIC FOR NATIONAL INSTRUCTORS AND POTENTIAL REFEREES", and the "techno centre FIBA EUROPE" logo. A navigation menu includes links for Information, News, Program, Arrivals / Departures, Photos, Videos, Contact, Sponsors, and LIVE!. The main content area has a breadcrumb trail "Home > LIVE!" and the title "Clinic FIBA Europe 2011". Below this is a large blue graphic with the text "2011 FIBA EUROPE CLINIC FOR NATIONAL INSTRUCTORS & POTENTIAL REFEREES". To the right, there is a "Hotel Location" section with a satellite map. At the bottom of the page, it indicates the location is "Canary Islands (GMT Summer Time, GMT+01:00)" and provides a link to the "Programme Schedule". The Windows taskbar at the bottom shows the Start button and several open applications, including Microsoft PowerPoint and the clinic website.

**THANK YOU FOR YOUR
