

EDUCATION GUIDELINE BOOK

-except theoretical part (psychology, physical preparation, game management, communication, movements on the field, body language and other important elements for referees and delegates) should contain practical examples on DVD

-special point on education delegates

FEMALE AND YRP PROJECT

-motivational DVD-s – to create promotional materials and submit them to the Federations

-appointment of mentor-coach

-regional approach regarding cooperation between mentor-coach and referee couples – follow up also through national championship (neighboring countries)

-greater number of assembly in tournaments, possibly through regional approach (less expenses)

RULES DEVELOPMENT

-use modern technology for preparing handball rules with video examples which would contribute to the balanced criteria
