5th Beach Handball Delegates' Course
3rd Beach Handball Coaches' Course

Key role of the Specialist

Strength of the team

During the 6th EBT Masters that was held in Meliti, Greece we observed the role of the Specialist player in his team.

The fact that his goals are more valuable let him play a key role in the attack of his team wheater he score and assist to his team mates or he attract attention of the opponent defence in order to let his colleagues play 3 against 2.
