“RINCK” Convention and the Open EHF Master Coach and Licensing Course

Introduced in 2000 this convention concerns the mutual recognition of standards and certificates in the field of coaches' education in handball in Europe. From the 6 founding nations it has developed to 21 signatory nations so far. The 2010 edition of the RC that has been approved by the 2010 EHF Congress paves the way to new roads and activities in order to attract all the not-yet-signatory-nations.

One of the most important innovations is the introduction of a so called “Open EHF Master Coach and Licensing Course” organised by the EHF itself. This move has to be seen in the light of an upcoming overall EHF licensing system in the near future. The first issue will be the “2012 Open EHF Master Coach and Licensing Course”. The course will consist of three stages.

“RINCK” Convention and the Open EHF Master Coach and Licensing Course – Part 1:

The first part will take place at the EHF EURO 2012 in Serbia from 16th – 22nd January 2012. The first three days will see this course only; from Thursday on the course will take place in a joint venture with the regular EHF Top Coaches Seminar.

“RINCK” Convention and the Open EHF Master Coach and Licensing Course – Part 2:

The second part of the “Open” course will take place in Vienna/AUT from 9th-14th July 2012. This part shall focus on generic items like science of training, proprioception work and issues of psychology and pedagogy linked with coaching and training of teams.

“RINCK” Convention and the Open EHF Master Coach and Licensing Course – Part 3:

The third part is planned to take place during the ECh for Women in NED in December 2012. The organisation shall be like the one of the first part whereas the first three days are supposed to focus on practical drills conducted by participants.

Between the second and the third part of the course the participants will have to write a short thesis on a subject chosen by themselves. This thesis shall be presented and defended in the third part of the course.

After this the participants shall be awarded with the diploma “EHF Master Coach” and at the point of time of the implementation of the EHF licensing system they will receive the highest EHF license for coaches.

Participants of less developed nation which do not have the full scale education in their home country cannot achieve the “EHF Master Coach” diploma but they will receive a coaching license of a certain level according to their merits.

Following the EHF master plan the next issue of the “EHF Open Master Coach and Licensing Course” shall take place in the year 2014, following the same structure.

We look forward to meeting you in Belgrade, Serbia. The MC remains with best regards,

Frantisek Taborsky / Chairman
Bogdan Macovei / Coaching
Wolfgang Polany / Education and Training
Jerzy Eliaz / Youth, School and Non-competitive Sports
Allan Lund / Development
