

## 2012 EHF Youth Coaches' Course in Hard / AUT from 12 - 15 July 2012

### Closing

Arne Elovsson, EHF Vice President:

Dear friends,

Firstly I would like to thank the organiser (handed over gifts for the members of the Austrian Handball Federation), the lecturers, that made a pretty good job, and of course the course participants for their coming.

I am sure you saw interesting lectures and fantastic matches.

Wish you all the best and hopefully we will see again on the occasion of the education course in the near future.
