**2013 EHF ,RINCK‘ Convention Seminar for  
Signatory Nations  
5<sup>th</sup> – 6<sup>th</sup> April 2013 / Vienna**

## **EHF Coaching Licensing – Preamble 1**

- The European Handball Federation (EHF) is the governing body of handball in Europe! Its 52 member federations represent and stand for 52 different kinds of national and international handball know-how and competence. It goes without saying that the unique national handball schools/philosophies shall preserve and by no means be replaced by a centralized, uniform and directive handball education!

EHF Competence Academy & Network

**2013 EHF ,RINCK‘ Convention Seminar for  
Signatory Nations  
5<sup>th</sup> – 6<sup>th</sup> April 2013 / Vienna**

## **EHF Coaching Licensing – Preamble 2**

- **Handball research, know-how exchange and competence transfer in Europe shall be fostered as an EHF service for the EHF member federations by making use of national and international handball experts as well as external lecturers from sport science, medicine, other sports, economy (marketing, equipment suppliers), media (press, TV, Internet) and other team sports for “the sake of handball development.”**

**2013 EHF ,RINCK‘ Convention Seminar for  
Signatory Nations  
5<sup>th</sup> – 6<sup>th</sup> April 2013 / Vienna**

**EHF Coaching Licensing –  
A Tribute to the Next Generation  
Argument 1**

- Coaches education is not only a sport matter; it is mainly an educational process.
- Currently, some federations still deal with coaches' education mainly as a sport matter and less as an educational issue.
- Therefore many coaches do not have a proper educational background linked to international handball.

EHF Competence Academy & Network

**2013 EHF ,RINCK‘ Convention Seminar for  
Signatory Nations  
5<sup>th</sup> – 6<sup>th</sup> April 2013 / Vienna**

**EHF Coaching Licensing –  
A Tribute to the Next Generation  
Argument 2**

- At the moment the EHF has no information on national coaches' education structure or activities from 40% of its national federations – the number of coaches on each level is, likewise, unclear. It means that many coaches in Europe are not linked to or cannot be directly addressed by EHF.
- Therefore an EHF governed coaching licensing system in addition to the EHF “RINCK” Convention could be an effective means for the development of handball, as it is the coaches that educate the next generation of players and educators later on, too.

Signatory Nations  
5<sup>th</sup> – 6<sup>th</sup> April 2013 / Vienna**

**EHF Coaching Licensing –  
A Tribute to the Next Generation  
Statement 1**

- The title of the Master Coach as defined in the **EHF 'RINCK' Convention** holds good for lifetime, whereas any kind of an **EHF Licence** will have an expiration date, e.g.: the validation period is two years plus two more years as a transition period.
- All existing **Master Coaches** will receive the highest EHF License (**EHF PRO License**) automatically, whereas in the future, any coach who receives the title nationally has to attend either an **EHF Licensing Course** (3 modules, obligatory thesis) or the EHF has to be involved in all national Master Coach courses by nominating 2 EHF lectures.

**2013 EHF ,RINCK‘ Convention Seminar for  
Signatory Nations  
5<sup>th</sup> – 6<sup>th</sup> April 2013 / Vienna**

**EHF Coaching Licensing –  
A Tribute to the Next Generation  
Statement 2**

- **In the future, the EHF will offer Open Master Coaches and Licensing Courses** for further training and promotion. Each signatory nation on level 3 will be allowed to host their own National Master Coaches' Courses in addition to the aforementioned EHF Open Master Coaches' Courses.
