**4. Description of the content of the sessions held by the EHF lecturer with graphics and/or cross-reference to publications that are available on the EHF site already.**

For the complexity of the lessons I used the following available sources:  
**Rainer Marte4ns – Succesfull coaching, Human Kinetics, 2003;**  
**Acsinte Alexandru – EHF Activities, Training Methods, Unstable surfaces**  
 – Fun Park, jpg.  
<http://activities.eurohandball.com/teaching-videos/training-methods>

Some materials has been put in on debate by Marcos Bestilleiro.

**5. Short reference on additional sessions done by other lecturers (if available).**

- very good and appropriate presentations

**6. Note on further program such as social trips, matches, sightseeing etc.**

- Matches has been seen and evaluate were all matches of Scandinavian Open Ch, and friendly matches between **Stabaek vs. Glassverket**

**7. Rating of the environment such as interpreters, technical aids, devices, demonstration team, accommodation, food etc...**

- Everything was far more then appropriate;

**8. Comment on the readiness and co-operation of the participants.**

- Fully accomplished by the all of the involved persons;

**9. Listing of the responsible persons at the spot and short rating of their commitment, qualifications and further details.**

- all the organization team, act in very cooperation and efficient way;
- every responsible person fulfilled their duty;

**10. Personal comment with rating of the course overall, listing of strong points and deficiencies, suggestions for future courses.**

- Nothing wrong to be mentioned;
