2014 EHF "Rinck" Convention Open Master Coach and Licensing Course (Module 1)

12 - 18 January 2014 in Silkeborg / DEN

Hosting City – Silkeborg, Denmark

Silkeborg has it all. Beautiful lakes, large forest areas, rare collections, exciting specialities, magnificent sailing trips and fun sports activities.

Welcome to Silkeborg and the largest forest areas in Denmark. Along with the incredible system of lakes, the countryside around Silkeborg is made for an active outdoor life – which can be rounded off with a visit to one of the area's many cosy cafés and restaurants as the perfect end to the day. There is something for everyone, regardless of age and interest.

Visit Badeanstalten anno 1920 under Silkeborg Library and enjoy a steam bath, herbal bath, mud bath or salt bath in the nostalgic setting, take the kids to AQUA, northern Europe's largest freshwater aquarium, and/or rent a canoe, swim in the lakes and experience the nature from the River Gudenå, with an overnight stay at one of the pleasant campsites along the river.

Art and culture bloom all year round, with lots of exhibitions, concerts and performances. Everything from modern art at Museum Jorn, named after the Danish COBRA-painter Asger Jorn, to what is probably the worlds best preserved bog body, the 2,400 years old Tollund Man at Museum Silkeborg.

Live music and festivals in Silkeborg are a chapter in themselves. The annual Riverboat Jazz Festival, with more than 100 concerts on a long list of indoor and outdoor stages, attracts guests from far and wide. As do the major Ildfest Regatta (the fire festival regatta), which is held every three years, as well as the annual Country Festival. And all year round, you can catch live rock, blues, folk music and jazz at various venues in the town.

So come and form your own impression of the town and all it has to offer. Silkeborg is located in the heart of Jutland and is an ideal base for trips and excursions, both on land and water on the River Gudenå.

“RINCK” Convention and the Open EHF Master Coach & Licensing Course

Introduced in 2000 this convention concerns the mutual recognition of standards and certificates in the field of coaches' education in handball in Europe. From the 6 founding nations it has developed to some 33 signatory nations so far. The 2010 edition of the RC that was adopted by the 2010 congress and paved the way to new roads and activities in order to attract all the not-yet-signatory-nations.

One of the most important step into the future is the introduction of a so called “Open EHF Master Coach and Licensing Course” organized by the EHF itself. This move has to be seen in the light of an upcoming overall EHF licensing system in the near future. The first issue was the “2012 Open EHF Master Coach and Licensing Course”. In 2014 the next edition of such a high end education course is on offer. The course will consist of three stages and is accessible for all coaches of RINCK Convention signatory countries on level 2 or 3 (confirmed by their Member Federation).

“RINCK” Convention and the Open EHF Master Coach and Licensing Course – Module 1:

The first module will take place at the EHF EURO 2014 in Silkeborg / Denmark from 12 - 18 January 2014. Specific handball topics will be presented by EHF Lecturers theoretically and practically.

“RINCK” Convention and the Open EHF Master Coach and Licensing Course – Module 2:

The second module of the “Open” course is planned in June / July 2014. This part shall focus on generic items like science of training, proprioception work and issues of psychology and pedagogy linked with coaching and training of teams.

“RINCK” Convention and the Open EHF Master Coach and Licensing Course – Module 3:

The third part is planned to take place during the ECh for Women in CRO / HUN in December 2014. Main contents are the defending of the theses by the participants.

Between the second and the third part of the course the participants will have to write a short thesis on a subject chosen by them and this thesis shall be presented and defended in the third part of the course.

After this all “level 3” participants shall be awarded with the diploma “EHF Master Coach” and they will receive the highest EHF licence for coaches, the EHF “PRO Licence.

Participants on level 2 will receive the EHF Coaching Licence, thus promoting individually to level 3 of RINCK Convention.

Following the master plan the next issue of the “EHF Open Master Coach and Licensing Course” shall take place in the year 2016 with identical structure.

We look forward to meeting you. The MC remains with best regards,

Jerzy Elias / Chairman
