Cooperation EHF – National Federations(NATs)as of the 2014/15 season

Basic principle:

EHF Office requests official confirmation of coaching level of head coaches from NATs when submitting team lists for EHF Competitions (or CV with coaching education data in case of YAC coaches in the transition period).

NATs have to break down the national education level of their head coaches in EHF Competitions to RC Level 3 (or Level 2) and confirm this to EHF. In case of YAC coaches they shall provide coaches CVs to EHF in order to facilitate the issuing of temporary licences
