*Systems of defense*

**Basic system:**

**14 teams 6:0,2 teams 5:1**  
**6 teams combined:6:1,5:1,3:2:1,5+1**  
**Man advantage:5+1,5:1,4+2**  
**Changing attack-defense: one or two players.**

*Sets of offense*

**Basisly all teams use 3 sets:**

- 1.CB crosses LP,who passes on the opposite BP.**
- 2.Wing transition with and without a ball.**
- 3.Position changing between BP and CB without the ball,the ball comes after the changing from the wing or from the opposite BP.**

**And their combinations.**

EUROPEAN HANDBALL  
FEDERATION

*Man advantage*

e

**1. CB transition with or without the ball.**

**2. Piston movement on outside. Lp takes place on the opposite side between 1-2 defender.**

*Man disadvantage*

**RW crosses LW on the center position and both run back to the origin position.**

*Fast break*

**1. and second wave, no 3 wave because of changing of the players.**
