

2014 EHF Youth Coaches' Course in Gdansk / POL from 17– 20 August 2014

CLOSING

Jerzy Eliasz, Chairman of the EHF Methods Commission:

Dear friends,

I would like to thank the organiser (handed over gifts for the members of the Polish Handball Federation), the lecturers, that made a pretty good job, and of course the course participants for their coming. I am sure you saw interesting lectures and fantastic matches.

Wish you all the best and hopefully we will see again on the occasion of the education course in the near future.
