# The results from team visits

- Betting more than 2 times a week 74 %
  - Betting on your own sport 76 %
  - Betting against your self 0%
- 
- Will be more carefull on insider information in the future 3 % SAID NO!!

# Dual Career

- The biggest social responsibility players unions have.
- Building a LIFE, not just a career after sport

# Economical situation of athletes at the end of their career

- NFL – 78 % went bankrupt 2 years after the end of their career
- NBA – 60 % went bankrupt 5 years after the end of their career
- German soccer players – 25 % have more debts than property
- German ex-players – 91 % of them has to work in order to survive

# PDM Projects

- EU Athletes
- We have to take best practise, and then tailor make it for handball.

# The goal and purpose

- We must build a better, stronger and safer sport together
