

Points system.....change or not?

Marco Trespidi
BC Member – Event and Competiton
Las Palmas, 4th November 2015

- My idea remains in favour of the 3 points for inflights
- The concept of the 3 points penalty shot was implemented following feedbacks of our officials but mainly by the protagonists of our sport: players and coaches.
- In Lloret de Mar was well appreciated.

 In the future, if everything goes smoothly, we may think to introduce the award of ball possession for good blocks without any contact with shooter but only against wing spin shooters and only for balls going out from goal lines, in case of side lines ball stays on attackers (indoor discussion as well)

- Reasons for rule adaptation stays in the steady BH tactics that are being used now since too many years without acceptable variations
- Statistic from Euro 2015:
- Senior M SS 27.8% IF 14,5%
- Senior W SS 28,5% IF 5,8%
- YAC M SS 18% IF 20,1%
- YAC W SS 24,5% IF 5,5%

 Along with rule adaptation, inputs for coaches education must be forwarded as well, either from a tactical point of view and from a physical preparation point of view

EBT regulation

- Coming to EBT regulation, in the website we implemented the new Rule Book 2014
- The changings in use now after the "OVB" case are clear, in my opinion is arrived the time to allow a player to play only in one team which is allowed to present a list without a limitation of number of players, but once a player is in the list, she/he is not eligible to play in another team in the current season

CHC regulation

- NF are solely responsible for correct nomination of players, EHF will take action only in case of further protest from participating teams
- CHC Regulations should foreseen a 4th playing kit obligatory
