Seminar Philosophy & Objectives

The two years since 2015, when the last “RINCK” Convention Seminar took place, have abounded with numerous undertakings that successfully influenced the operation of the venture. The ideas and plans presented in the mentioned Seminar in 2015 have been improved and put into practice with the significant support of signatories.

Special efforts of the EHF Methods Commission concerning the expansion of the “RINCK” Convention members’ have been very successful. The “RINCK” Convention consists of 38 EHF Member Federations.

Regarding the development of the educational process proposed at the 2013 EHF “RINCK” Convention Seminar, the third ‘EHF Open Master Coach and Licensing Course’ was finalised in Gothenburg / SWE in December 2016. Following the 2 year EHF Master Coach Course rhythm, the next edition of the ‘EHF Open Master Coach and Licensing Course’ shall take place in the year 2018, under the same structure- three modules and individual theses to be produced and defended by the participants.

The EHF Coaching Licensing system for EHF competitions on level 3 already started in the season 2014/25. It is administered by the EHF by means of an EHF database in close cooperation with the National Federations that are EHF RC signatory countries.

Therefore, the declared objectives of the 2017 EHF “RINCK” Convention Seminar for Signatory Nations are:

- to acquaint the signatories with the standards and curriculum of new educational targets, namely:
 - EHF Open Master Coach and Licensing Courses
 - National Master Coach and Licensing Courses
 - EHF PRO Licence and EHF Coaching Licence- smooth transition to 2020
 - Expansion of EHF “RINCK” Convention
- to discuss the contribution of the participants, especially national targets, ways to implement, regional solutions, further perspectives
