Whom it may concern:

This letter is to certify that on September the 30th 2016, the Governing Council of the University of Las Palmas approved the postgraduate degree entitled **EHF Master Coach**, published in the Official Bulletin of the ULPGC (BOULPGC nº11, 7th October 2016) (https://www2.ulpgc.es/descargadirecta.php?codigo_archivo=7120919).

The EHF Master Coach is a postgraduate degree composed by 60 ECTS credits, under the academic direction of Dr Miguel Angel Betancor (Professor of the University of Las Palmas) and by supervision of Mr Helmut Hörtsch (European Handball Federation Education & Development - Senior Manager). This university degree will be developed in close collaboration between European Handball Federation and the University of Las Palmas de Gran Canaria.

The degree includes more than 20 university professors and experts with international recognition, with a theoretical and practical training divided into 4 categories and levels of training. It is a novel and unique degree at the international level and represents a milestone in the cooperation between University and sport Organizations.

Las Palmas de Gran Canaria, September 30, 2016.

SOCIAL AESTHETICS

Social aesthetics is, ..., an aesthetic of the situation.
... Like every aesthetic order, social aesthetics is contextual. It is also highly perceptual, for intense perceptual awareness is the foundation of aesthetics. Furthermore factors similar to those in every aesthetic field are at work in social aesthetics, although their specific identity may be different ... creative processes are at work in its participants, who emphasize and shape the perceptual features.
