

# Best practice – DEN

EHF 'Rinck' Convention Seminar 2017

---

# Coach education in DEN

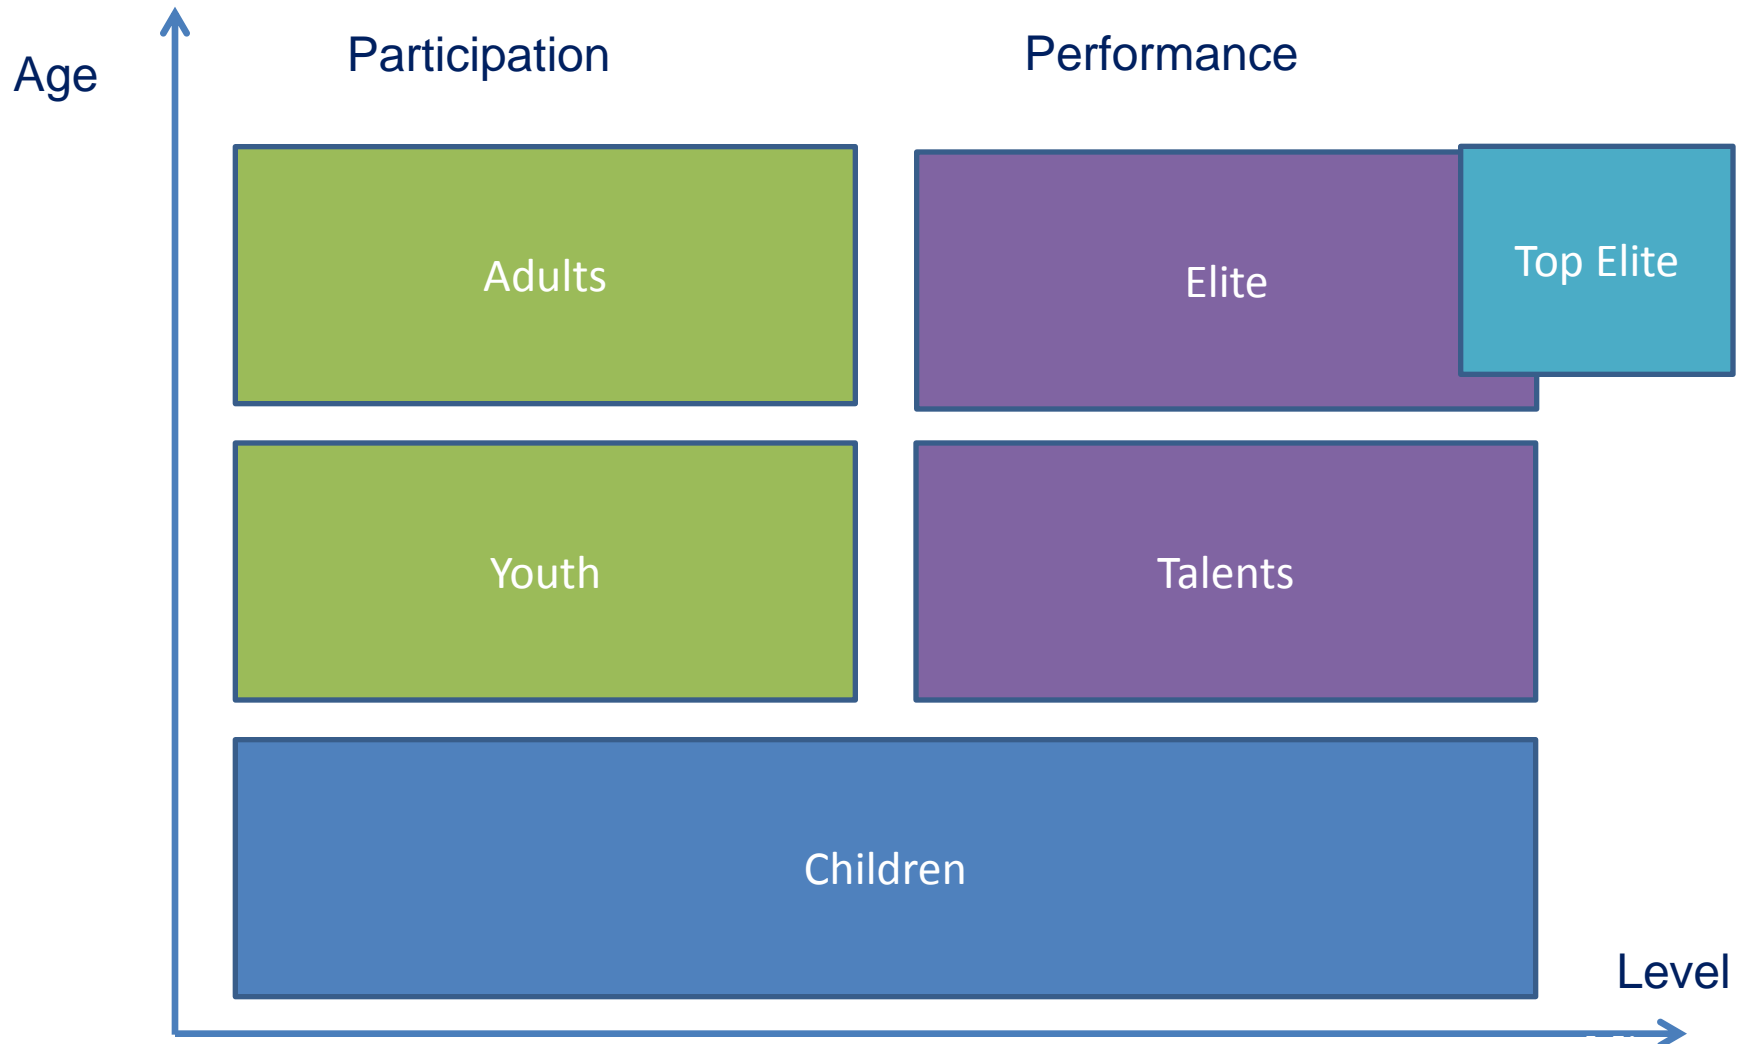

---

## **Main targets:**

1. Offering high quality education for all coaches
2. Modern learning design
3. High quality lecturer/coach developer system
4. Co-operation with experts
5. International co-operation

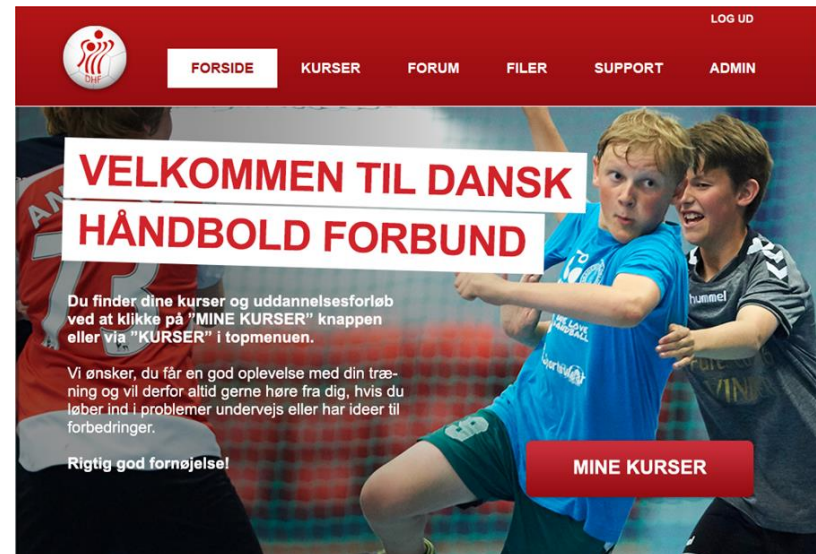

# High quality education for all coaches

# Modern learning design

- Less lecturing – more involvement
- Blended learning – e-learning
- Specific target groups
  - Ex.: Camp for young coaches (13-19 y.)
- Mixed target groups
  - Ex.: Coaching events

# High quality lecturer/coach developer system

- Education and certification
- From lecturers to coach developers
  - Facilitating learning processes
  - Supervising
  - Mentoring

# Co-operation with experts

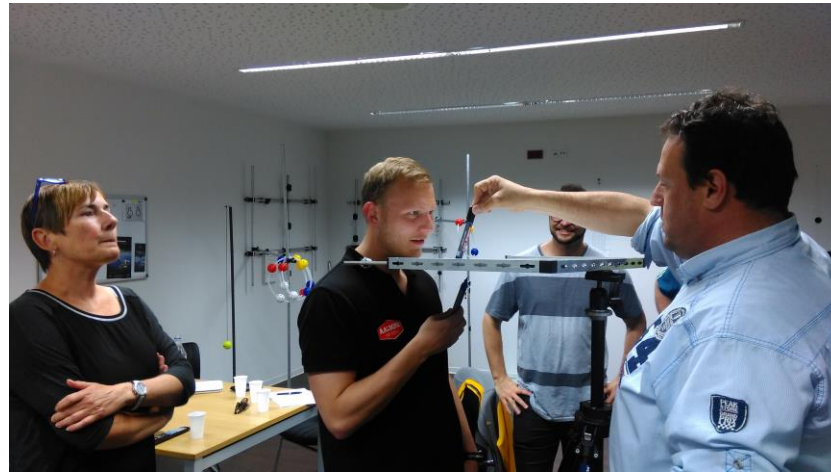

- Creating links to the universities
  - Scientific networks
- Advisory boards
  - Injury prevention
  - Sports Psychology

# International co-operation

- Exchanging knowledge
- Networking
- Supporting
- Building an international coaching community

## Other targets

1. Improving appreciation/acknowledgement of coaches in children's and participation handball
  - Coach appreciation day ?
2. Communication – social media
3. Women in coaching
4. National licensing system.....
5. Coach talent development programme

# License renewal system

We need

- Transperency
  - Which seminars are recognized as renewal courses?
- Flexibility
  - Not only renewal in "fixed" years
