Tools.....

Table.....

Checking the secretary table will be as well important: reserve clock, suspension cards, whistle, TTO cards (to be delivered to team officials)......

During the match.....

Practical hints.....

Always say loudly number of player's shirt who scored, and number of points, in case of discrepancy or uncertain indication stop time and ask referees or delegate.

Same behaviour for player's exclusion, while waving the suspension card clearly indicate the number of player's shirt

Shoot out.....

Coin toss

Goal or shoot first
Sitting in the substitution area close to the defence GK
Any player, if eligible,, may shoot
Just recognize shirt number when preparing to run
In case of KO matches stop shootout as soon as result is achived
If after first group of 5 shots no result is achieved,
then teams change end and order of shooters, and
shoot out ends as soon as one team get the victory
when shots are equal number
