

# EHF GOALCHA PROJECT

## What is GOALCHA?

GOALCHA is subdivided in the leisure time sport and modern type of handball game GOALCHA Street Handball, focused on fun and less rules, and in the numerous GOALCHA Activities, aiming at exercise and the gathering of positive experiences with the purpose-made GOALCHA-Ball.

# EHF GOALCHA CONFERENCE 2017

14-16 July 2017 in Tulln/AUT

## Conference Topics

- Goalcha Philosophy
- How to work with pupils- teaching techniques
- What to teach in what age- scientific background of the proper communication with pupils

The goal of the Conference is to introduce the Goalcha philosophy to everybody, who wants to try this interesting form of activity and spread the experience among children/young players in her/his environment. Our experts will share their knowledge and suggest how to approach players and help them achieve self-assuredness but also a feeling of skillfulness in handling of balls.
