DEFENCE

- Women's

- General the teams used 6:0
- system.

- Men's

From 16 teams 15 used also 6:0 and 10 changed 5:1 during the games and in numerical superiority used 5+1.

- Both genders transformed sometimes their defence system concerning the attack system of the opposite teams.

OFFENCE

- **Both genders used the simple and similar actions:**
- -simple and double crosses
- -piston movements
- -transitions from different positions
- - use cross and transition in the same time
- -catching the ball with one hand
- -changing goal keeper for player
- -playing with two pivots
- Using the individual quality
- 7:6 play in offence
- Basic set: two wingers in the corner of the court, left and right back court players close to side line
- Use fast throw off
