

2009/10 EHF Course for Delegates

4th – 6th September 2009 in Balatonfüred, Hungary

Hosting City Balatonfüred

Balatonfüred/HUN – Venue of the 2009/10 EHF Course for Delegates

Balatonfüred is a small town of 13,500 inhabitants, the centre of the north-eastern region of Balaton and the first medical resort town of Hungary. The town was built on the wide, shiny side of Balaton Riviera, protected by

300-metre high hills against cold winds. There are vineyards

and fruit gardens on hills of southern slope. Balatonfüred is the centre of the historic wine region named after the town. It is quite interesting and surprising that the fame of this mellow old resort is originally due not to Balaton but the aerated springs rushing up at the lake-shore. The water had been used for the purpose of drinking treatments, and as from the 1730s also for bathing (warmed up). Majority of the buildings was destroyed by a large fire in 1826 that is why the current image created by the historic monuments of Medicinal Square (Gyógy tér) was developed only in course of the 19th century. Golden age of the spa was the reform period.

At that time it was a patriotic gesture to visit Füred instead of various medicinal places abroad. Great people of the country visited Balatonfüred one after another, a theatre was also built here in 1831, and then in 1846 the first steamship of Balaton called “Kisfaludy” was set afloat here. The oldest and most significant

historic monument of the city is the St. Mihály church registered in records already in 1211. It was built on the ruins of an ancient Roman villa. Today only the ruins of the church restored in 1966 can be seen. Reformed church of neo-Classic style, consecrated in 1830, is built in the centre of the old city of Füred. It is especially valuable because the original furniture of the church remained completely. The well-house was erected above the Kossuth Lajos spring in the middle of Gyógy square in 1853. The oldest parts of the Sanatorium were built in 1748. The wonderful Tagore promenade lined with plane-trees was created in 1863, subsequent to the hand-over of Sió channel. The various masterpieces of the fine arts exhibited in the promenade make it a real park of sculptures. The Round Church of neo-Classic style, handed over in 1864, is one of the most characteristic buildings of Balatonfüred.

Hungary will host for the fourth time a delegates course in its country, respectively in Balatonfüred from September 4 – 6, 2009. In 2006 the 2nd EHF Regional Course for Handball Delegates was held in Tata with 17 delegates out of 10 nations. In 2007 22 delegates were instructed in Balatonfüred from August 30 – September 2, 2007. In 2008 another 26 newly nominated delegates had their instruction course there.

Course Basics

The 2009/10 EHF Course for Delegates takes place in Balatonfüred/HUN from September 4 – 6, 2009. The course will be held on the occasion of a men's international Club tournament organized by the Hungarian club MKB Veszprem KC with the following teams: HC Croatia Osiguranje Zagreb/CRO, MKB Veszprem/HUN, Chekovski Medvedi/RUS and Cimos Koper/SLO.

Who should attend

All delegates who have been newly registered by their National Federations for the new season are obliged to participate in the 2009/10 EHF Course for Delegates.

Delegates who will be nominated for the 2008/2009 season must have a good command of the English language. It was a decision taken by the 2006 EHF Congress in Vilamoura/POR that the official language for EHF officials at EHF competitions shall be English as of July 1, 2008.

As a proper command of the English language is a must for the 2008/09 season, all those delegates that do not fulfil this requirement can no longer remain on the list of delegates, unless English language command improvement based on training courses can be proved (e.g., certificates).

Bearing in mind the above-mentioned information all new delegates, delegates who did not attend any of the past courses, delegates who showed unsatisfying results and those with a lack of a proper command of the English language have the obligation to participate in the course in Balatonfüred and should be registered through their National Federations.

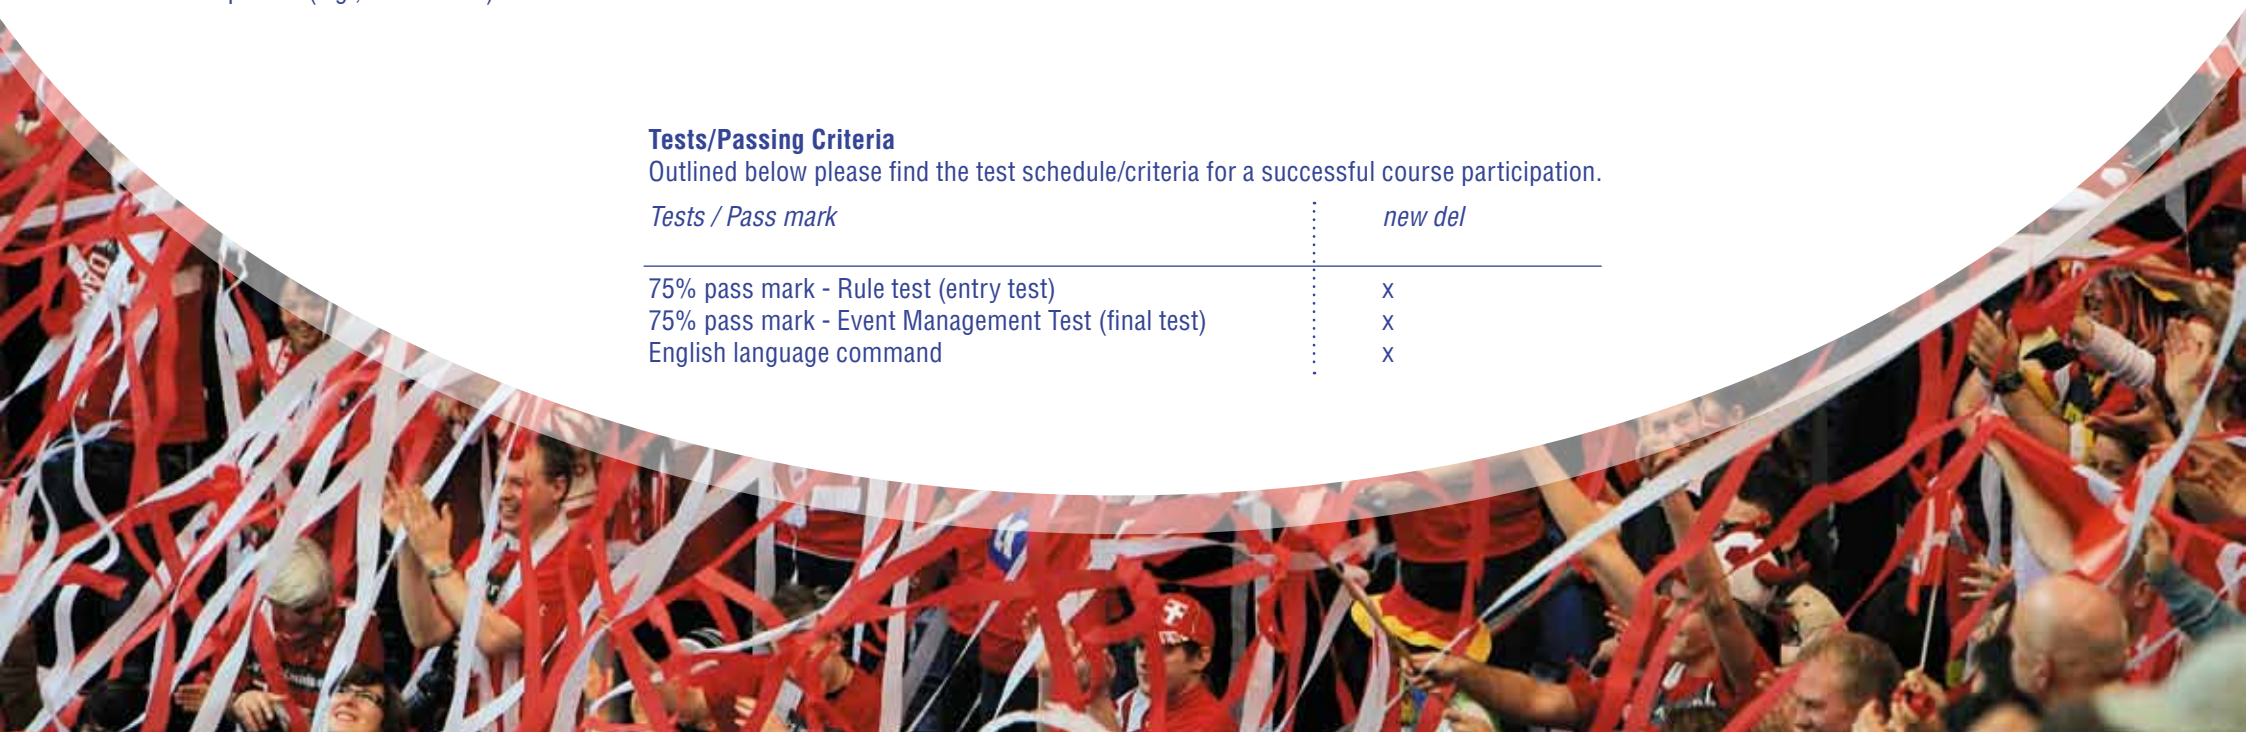

Finances

Following the course concept the costs for full board and lodging for all participants as well as costs of resulting by infrastructure (e.g. conference room) will be borne by the EHF. Travel costs to HUN have to be borne by the participants respectively their Federations themselves. The full costs of local transfers from the airport or railway station shall be borne by the local organiser. Based on some negative experiences from the past course, those delegates who will not participate successfully in the course mainly because of their insufficient knowledge of the English language will have to pay the costs for the course themselves resp. their Federation will be obliged to pay these costs.
