

Summary and Improvements

Group A

1. For motivation:

- Better education in an attractive way
- Using different modern methods (technology) to educate them

2. More interest and cooperation from the club side:

- Improving cooperation between Federations and the Clubs in this matter
- Clubs must take more responsibility to „produce“ the referees
- Bring more respect to the referee position

3. Age limit:

- The “official” age limit has been set by the EHF: 50 years
- some countries have no age limit some of them different from the official one
- More spreading of the age limit for the YR categories

Group B

1. GER:

- Better communication and timing of EHF referees nominations
- EHF shall provide courses for referees and Beach Handball shall be an obligatory part in the YR education.
- Analyses of referees' performance in EHF top level tournaments should be provided earlier.

4. FRA:

- Further career of YR in EHF when they are over 23 (create an own group)
- To organise many tournaments for gaining practice.

5. SRB:

- Need of curricula
- Need EHF lecturers for national courses

6. LAT:

- More competitions for YR on the international level
- Need of teaching aids like DVDs > to make the job attractive

7. NED:

- Regional cooperation; tournaments for YR; evaluation from outside
- For YR education > more time is needed
- Faster feedback from EHF concerning the performance of the YR
- Better structure in particular concerning the age groups

8. BLR:

- Financial problems
- Structure to be built-up together with the EHF
- Teaching aids + curricula

9. BEL:

- Big drop-out in the first 2 years
- Education aid for educators
- More international Tournaments
- Financial help for sending the YR to tournaments
- Feedback from EHF

10. UKR:

- Problems with educational structure
- Teaching aids from EHF (balls for kids, clothing, yellow/red cards)

11. HUN:

- Programme basically ok
- More money is needed
- Teaching aids are needed as well
- Age limit in EHF YR project is too low

12. BIH:

- Education for educators
- YR exchange project - financial help needed
- Additional EHF Equipment for YR just for motivation (no badges)
- International Tournaments

13. SWE:

- Teaching aids/DVDs for YR
- EHF shall make a programme for further education of YR

14. SUI:

- Clear line of standards for YR
- No availability of places in the YR project
- Special education needs finances - € 5.000 per year

15. AUT:

- EHF financial support for education exchange with other countries (educational courses + tournaments)

16. POR:

- More information to lectures and delegates
- More tournaments

Group C

1. Courses (theoretical, physical)

- Use of technology
- Ways of getting closer to the practical HB
- Economic resources
- Interactive tools

2. Recruitment of Referees

3. Mentoring

4. Language teaching
