What are spectacular goals?

What are spectacular goals?

- Rule **9:2** and **Clarification No.1**
 - **9:2:** Creative or spectacular goals are awarded with **two points**
 - **No.1:** Also in the following scoring situation are 2 points awarded: A goal scored in “**inflight**”

What are spectacular goals?

Comment:

- **No.1:** Both the **spirit of the game** of beach handball and its **specific philosophy** have to be **respected**.
- **No.1:** There has to be **space** for "creative or spectacular goals", which will be awarded with 2 points.

What are spectacular goals?

- **No.1:** A goal is spectacular if it is of **high technical standard** and it is evidently **not a "1-point goal"**, which is based on fundamental **technical skills**.
- **No.1:** A **remarkable and dramatic final action** may lead to a creative goal.
- **No.1:** Remark: if such goals clearly aim at "**ridiculing**" the opponent players, it shall be considered as **unsportsmanlike** conduct and shall never lead to a "2-point goal" (**Fair Play**).

What are spectacular goals?

- What they should **not be**:
 - Dangerous (Fair play)
 - Opponent should not look ridiculous (Fair play)
 - Taking too long (boring – passive play)

What are spectacular goals?

- What teams do at **International competitions**
 - **In flight** (ball must be thrown in goal area)
 - **360 degree spin shoot**
- Why not other things?
 - Referees too restrictive?
 - Teams without ideas?
