

The philosophy of Beach Handball.

“Fair play” is the most important principle of Beach Handball.
It is based on 3 major fundamentals

They are:

A. The health and the integrity of the players and their body have to be respected.

B. The spirit of Beach Handball and its philosophy have to be respected.

Space for creativity and attractivity.
Space for development > new creative ideas.
Matches have to be exciting

C. The flow of the game has to be respected.

1. What does this mean for you,

- As a coach? Or
- As a referee concerning the goalkeepers' behaviour during shoot-out in connection with item A? Or
- As a delegate? Or

2. What will be the consequences for your practical work as a coach, or as a referee, or as delegate?

Prepare your answers on paper,

Complete it by giving statements, ideas, examples, personal opinions, perceptions etc..., just to be ready for the working groups and discussions.

Preparing in English and not in your mother language will be the best help for you.

Possible connections:

- C and fast substitutions?
- B and a pirouette by an attacker?
- C and passive play?
- B and a “new” technique in a final action in attack?
- A and B in connection with diving defence actions? Etc.
